

KING CON

October 24-27, 2024 • Las Vegas, NV

What is KINGCON?

A gathering designed exclusively for ardent enthusiasts of Stephen King – be it devoted readers, avid collectors, or fervent film aficionados. This event, born from a humble idea of hosting a "party" for fellow King collectors, has organically transformed into a grand celebration of our collective devotion to the maestro's exceptional body of work.

Who We Are

The KingCon 2024 Planning Committee consists of longtime Stephen King readers and collectors.

We decided to take on the huge task of planning an event for like minded fans to gather and celebrate our shared passion of his work.

Our aim is for this to be a love letter to the esteemed author, and also a celebration of literature.
